Order

No. CLE/1/ID(49)/73/74

The following Award given by the Industrial Tribunal, Goa, Daman and Diu, on an Industrial Dispute between the Management of M/s. Cosme Mathias Menezes, Pvt. Ltd., Panaji and the workman employed by them, is hereby published as required vide provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947).

P. Noronha, Under Secretary (Industries and Labour).

Panaji, 24th October, 1975.

Before the Industrial Tribunal-cum-Labour Court, Dona Paula,
Government of Goa, Daman and Diu

Reference No. IT/3/74

Shri Manuel D'Souza, workman of
M/s. Cosme Mathias Menezes Pvt. Ltd.,
Panaji-Goa.

1st Party

V/s.

M/s. Cosme Mathias Menezes Pvt. Ltd.,
Panaji-Goa.

2nd Party

The Government, by order No. LC/1/ID(40)/73/1497 dated 22nd December, 1973, has referred an industrial dispute between M/s. Cosme Mathias Menezes Private Limited,

Panaji-Goa and their workman under section 10(2) of the Industrial Disputes Act, 1947, on a request by both the parties for adjudication to this Tribunal. The schedule of the order is as follows:—

«Whether the action of the Management of M/s. Cosme Mathias Menezes Pvt. Ltd., Panaji (Goa) in dismissing Shri Manuel D'Souza, Driver from his services with effect from 22nd September, 1972 was legal and justified:

If not, to what relief the said workman is entitled?».

On receipt of the reference it was registered as IT/3/74 and the first party union was called on to file the claim statement and did so. The second party filed its written statement on 1st February, 1973. Thereafter, certain documents were called for by the first party from the 2nd party and the matter went on for some dates for this purpose. Finally on 25th September, 1975, both the parties filed a joint memo of settlement whereby the concerned workman was to get 5 month's salary at the last drawn rate at the time of termination towards the full and final settlement of his demand of re-instatement with back wages and continuity of service and the amount of unpaid bonus and leave salary such as may be found due to him and the 2nd party shall also issue a service certificate to the first party for the service rendered. The settlement was admitted by both the parties and was therefore recorded.

The claim statement shows that on 7th September, 1972 and 8th September, 1972 the workman had been served with charge sheets by the 2nd party. It may be noted here that in the claim statement para three the date of the 2nd charge sheet has been wrongly shown as being of the year 1967. But the copy of the charge sheet is at annexure «2» and it shows the date as 8th September, 1972. It is therefore, clear that in the claim statement a typing error in respect of the date of the charge sheet has occurred. The two charge sheets arise out of one incident of 6th September, 1972, during which a box of Swish blades was found missing from the delivery consignment in the van and it was found underneath the driver's seat of the Van, the workman being the driver in charge of the Van. The matter was obviously reported to the management of the 2nd party. On the next day the workman is said to have accosted the two employees of the 2nd party who had been in the Van during the above said incident and asked them as to what they had reported to the management regarding the incident and called in some gundas to attack the two employees while the workman himself ran away. The workman by his explanation to the charge sheets admitted that the box of blades had been missing and found under his seat, but maintained that he had not placed it there. Regarding the 2nd charge sheet, he denied the incident and contended that all that happened was that he questioned the two employees as to why they had made a false report. Thereafter, the inquiry was held on 16th September, 1972 and the result of the inquiry was communicated to the management, who, on a consideration of the past record of the workman, decided to dismiss the workman. The dismissal order which is at Annexure 'C' of the Claim Statement sets out that full opportunity had been given to the workman during the course of the inquiry and the workman had fully participated in it and that the management had accepted the findings of the inquiry officer.

Such is the background of the dispute which has been referred for adjudication. In view of these backgrounds of the events, the settlement now arrived at must be considered to be fair and reasonable. The settlement is therefore accepted and the award is being made in terms thereof.

AWARD

The award is made in terms of the settlement, a copy of which is annexed hereto and shall form part of this award.
